

AQUACLEAR®

Comfort meets performance. Lifestyle meets technology.

And moisture meets clear vision, just as our name suggests. AQUACLEAR® brand—only from Vision Source®—brings together all the features you love¹ in one monthly replacement contact lens. From presbyopia to astigmatism to digital eye strain, AQUACLEAR® has a contact lens to fit you and your lifestyle.

AQUACLEAR® PREMIUM™

Designed to help your eyes shift focus between digital devices and offline activities for a more comfortable wearing experience.

AQUACLEAR® TORIC

Featuring a toric lens design that 8 in 10 wearers say is the best they've ever worn.²

AQUACLEAR® MULTIFOCAL

Balanced Progressive® Technology tailored to your personal prescription helps you see clearly at all distances.

AQUACLEAR®. So comfortable, you might forget they're in.¹

3 out of 4 wearers say they forget they're wearing contacts when they have their AQUACLEAR® lens design contacts in.¹
